Emglitz Technologies, Salem, India

- Executed internship on "Web & App Development" organized by Emglitz Technologies, Salem.

INTERN, 06/2023 - 07/2023

Zealous Tech Corp, Salem, India

- Executed internship focused on Java Microservices at Zealous Tech Corp, Salem.

QUALIFICATIONS

Muthayammal Engineering College, Namakkal, Expected in 07/2026

Bachelor of Engineering: Computer Science and Engineering

GPA: 7.20

Bala Bharathi Matriculation Higher Secondary School, Maravaneri, Salem, Tamil Nadu, Tamil Nadu, 05/2022

Higher Secondary Course

GPA: 57%

Bala Bharathi Matriculation Higher Secondary School, Maravaneri, Salem, Tamil Nadu, Tamil Nadu, 05/2020

SSLC

GPA: 62%

CERTIFICATIONS

- RPA Citizen Developer Foundation, UiPath, January 23
- AI and ROS for robotics: theory and practice, IIITDM Kancheepuram, June 2023
- Distributed systems, NPTEL, September 2024
- Foundation of Cloud IoT Edge ML, NPTEL, April 2025
- Introduction to machine learning, NPTEL, September 2025

PROJECTS

Java Microservices – Income Tax Filing System:

Developed a microservices-based solution for managing income tax returns (ITR) of customers.

The system allowed efficient retrieval of multiple ITR filings for each customer across different financial years.

Technologies used: Java, MySQL, Spring Boot

Simple To-Do List App:

Developed a full-stack to-do list application using React.js for the front end and Node.js with Express.js for the back end.

Set up a RESTful API for seamless communication between the front-end and back-end.

Technologies used: HTML, CSS, JavaScript, Node.js

ACTIVITIES

- Biometrics, Paper Presentation, Muthayammal Engineering College, Namakkal.
- C Programming, Value Added Course, Muthayammal Engineering College, Namakkal.
